- ❖ You may write, e-mail or phone to request an application directly from the school. Many schools furnish on-line applications on their school's web site under *Admissions*.
- ❖ The Prentice School is not responsible for obtaining applications. We only complete teacher and principal recommendations given to us by the student. We also submit directly to the schools:
 - our WIAT II testing
 - documentation indicating the absence of behavior issues
 - 7th and 8th grade report cards
- ❖ **Parents are expected to furnish all medical information including updated immunization records.**
- ❖ **Please remember to give the faculty at least two weeks to complete paper work required for admittance to private schools.**
- ❖ All teacher recommendations need to go thorough the Junior High Principal - please do **not** give them directly to the teacher.
- ❖ **We need a parent signature on every recommendation form authorizing our school to release information to the high school.**
- ❖ A preparation course for the entrance exam is offered twice a week during electives. All 8th graders are required to attend both sessions.
- ❖ If your child will be attending a high school visitation, please let Mrs. Lerner know ahead of time since this is considered an excused absence.
- ❖ **All letters of recommendation by teachers or faculty must be done in paper form. We are not allowed to do direct on-line recommendations per Prentice policy.**
