

LATEST RESEARCH ON ADHD

a workshop in the
Prentice School
Educational Series

WEDNESDAY
MARCH 24, 2010
7:00 PM IN THE KECK

With guest lecturer:
Dr. Marc Lerner

Dr. Marc Lerner is a leading specialist and one of the foremost authorities in the area of ADHD and other related disorders. He is board-certified in General Pediatrics and Behavioral Pediatrics, and an active clinical investigator at the University of California, Irvine, Medical Center. He will discuss the symptoms, diagnosis and treatment of ADHD, as well as the latest research. Dr. Lerner is one of the founders of the Prentice School as well as a former parent whose daughter attended Prentice for four years.

Please contact Miss Krausgrill to RSVP & pay the \$10.00 fee.
